

**Wix Dillon Facility**  
**1422 Wix Road, Dillon, South Carolina**

DHEC has completed an evaluation of cleanup alternatives to address soil and groundwater contamination at the Wix Dillon Facility. Information about the contamination and methods considered for cleanup—including DHEC's preferred method—are detailed in DHEC's Proposed Plan. This plan and other information about the site is available for review in the Administrative Record at the Dillon County Public Library at 600 E. Main St. in Dillon and on our website at [www.scdhec.gov/publicnotices](http://www.scdhec.gov/publicnotices).

**Comments on the cleanup alternatives are encouraged and will be accepted through May 26, 2018.** Written comments may be submitted to Tim Hornosky at the email address below or by mail at DHEC-BLWM, 2600 Bull Street, Columbia, SC 29201. DHEC will make a final decision on the cleanup method after review of all comments received.

**For additional information or questions, please contact:**
